Bill Payment Anytime Anywhere

- Bharat Bill Payment System (BBPS) is a Reserve Bank of India (RBI) conceptualised system driven by National Payment Corporation of India (NPCI), which acts as one-stop platform for payment of all bills across India.
- BBPS is a national wide-integrated system that offers interoperable and accessible bill payment services to customers, both digital and through network of agents.
- It is envisage as a national bill payment system that would bring unparalleled convenience and assurance to both billers and customers.
- The customer can pay using multiple modes of payment.
- The current approved category of billers on BBPS as electricity, gas, telephone, water and DTH.
- Over period of time, the billers categories would be expanded to include insurance premium, mutual funds, school feem institution fees, subscription fees, credit card, taxes, invoice payment, etc.
- Going forward, only Bharat Bill Payment Operating Units (BBPOUs) which includes banks and non banks duly authorised by RBI, can handle payment and aggregation of payment services relating to bills.

All about BBPS

- One stop bill payments
- Large network of both digital and physical channels
- Interoperability
- Secure transaction
- Wider reach and network
- Centralised complaint and dispute management

Bharat Bill Payment Operating Unit (BBPOU)
