

Dear Valued Customers of Kokan Mercantile Coop Bank Ltd.,

We hope this message finds you well. We are writing to inform you about an important initiative introduced by the Reserve Bank of India (RBI) called "100 Days 100 Pays." This campaign aims to facilitate the retrieval of funds that have been transferred to the Depositor Education and Awareness (DEAF) Fund with RBI due to your account remaining inoperative for a period of 10 years and above.

As a responsible banking institution, Kokan Bank is committed to ensuring the utmost convenience for our customers. Therefore, we earnestly request all affected customers to contact their respective branch at the earliest to claim the amount transferred to DEAF.

Our branch staff team will guide you through the necessary steps to reclaim your funds. They will provide you with the required assistance, help you complete the essential documentation, and facilitate the smooth transfer of your funds back into your active account.

To avoid any inconvenience and make the most of the "100 Days 100 Pays" campaign, we urge you to take immediate action by visiting your nearest Kokan Bank branch.

We greatly appreciate your attention to this matter and your cooperation in claiming your funds. We value your continued patronage and look forward to serving you in the best possible way as a customer of Kokan Bank.
